## **WELCOME/APPROVAL OF MINUTES**

The meeting was called to order at 9:00 a.m. by Co-Chair Jasper. He extended a welcome to all attendees, as well as guest speaker Lonnie Parizek, Director of Communications from the Ounce of Prevention Fund of Florida; roundtable introductions ensued. The meeting minutes from the February 12<sup>th</sup> meeting were reviewed and accepted by the general census.

## **COALITION BUSINESS: MEETING ANNOUNCEMENTS**

Co-Chair Jasper announced that next month the Leadership Daytona Class will be joining us and this should be a great meeting with a chance for each member to share possible volunteer opportunities and recruit new volunteers, so please don't miss this! He also reminded everyone about the survey (included in meeting packet) due no later than March 28<sup>th</sup>.

One Voice for Volusia is experiencing some technical challenges with the Community Calendar so Co-Chair Jasper asked to see, by show of hands, who was using/checking/entering events into the calendar. Approximately six to seven people responded. Brief discussion ensued. Staff will get in touch with those individuals using this resource, but general census was reached to use the Community Connector as the primary method to share events, information, etc.

Co-Chair Jasper announced that the efforts to connect with the faith based community are still ongoing and making progress. Among plans, faith representatives will be invited to the annual Health and Human Services Summit this coming October. Comments or ideas on this subject are welcome.

## **2008 STRATEGIC PLAN:**

Ms. Schlageter gave an update on the strategic plan (handout). Included in the report, invitations to join the Community Connector are regularly being circulated; the Deltona prevention project is moving forward (update provided next month); a Responsible Beverage Server Training should be scheduled soon; and, the Systems and Data meeting will be held on March 27<sup>th</sup>.

## **TOPIC OF THE MONTH: CHILD ABUSE AND NEGLECT PREVENTION**

Ms. Lonnie Parizek, Director of Communications from the Ounce of Prevention Fund of Florida, shared with strategies of their new campaign, "Winds of Change" and how our members can incorporate the new strategies for marketing into their own campaigns. The "Winds of Change" focuses on the positive side of preventing child abuse and neglect with simple interventions and not using the shocking and negative imagery or statistics of the past.

All the information is available on the website [www.ounce.org](http://www.ounce.org) and logo packets will be mailed out by May. You may call the help line at 1-800-fla-love to see if your company is registered as a service provider; if not please ask to be added. A question and answer session followed.

Announcements regarding local events scheduled for April were shared.

## **CLOSING ANNOUNCEMENTS:**

Roundtable announcements were shared and members were directed to the Network Zone for additional information/flyers.
